BQ 337 – No. 01/2015

IIRF publishes the videos of the release of “Christian Witness in a Multi-Religious World,” Geneva, 28th of June, 2011

(Bonn, 05.01.2015) The International Institute for Religious Freedom published the whole launch session plus several interviews with key players in its [YouTube Channel](#).

On June 28, 2011, in Geneva, the Vatican's Pontifical Council on Inter-religious Dialogue (PCID), the World Council of Churches (WCC) and the World Evangelical Alliance (WEA), together representing most of Christianity, for the first time ever released a joint document, “Christian Witness in a Multi-Religious World: Recommendations for Conduct.” It discusses the ethics of mission, stating that Christian mission never can violate the human rights of others. This historic document is the result of a five-year collaboration among the WEA, the WCC and the Vatican. The document meanwhile has been accepted by the same group of churches in many countries of the world.
